## Doggy Day Out Guidelines

---

### Program Details

- Fetch Social Club's Doggy Day Out program is meant to give adoptable dogs a safe and healthy day of enrichment outside of their boarding or foster situation.
- Eligible dogs will receive up to four hours of daycare at Fetch Social Club for free.
- While at Fetch Social Club, dogs will be under direct supervision of trained staff monitoring play and providing enrichment. At Fetch Social Club, we believe that all dogs deserve the freedom to run and play.
- Space is limited, contact Fetch Social to reserve a spot today. Only one dog will participate in Doggy Day Out each weekday. Doggy Day Out is not available on weekends.

### Eligibility Requirements

- Dogs must be at least 12 weeks of age.
- Dogs should be in good health, free from parasites, and cleared for public interaction by their rescue/vet.
- All participating dogs must be up-to-date on core vaccines: Rabies, Distemper/Parvo (DHPP/DAPP/DA2PP), and Bordetella (Kennel Cough). We highly recommend Leptospirosis and Canine Influenza.
- Proof of vaccination must be submitted to Fetch Social Club staff for all participating dogs before they arrive at the facility.
- Dogs must be friendly and able to interact easily with other dogs. We have the ability to provide dogs with time outs in safe, isolated areas, but the majority of our facility is cage free. Applications will be reviewed prior to approval for Doggy Day Out. Some dogs may not thrive in this environment and Management may request another dog is selected for the program if applicant dog isn't a good fit.
- Foster parents and rescue/shelter staff are welcome to stay at the facility if they wish to do so.

### Play & Socialization in the Park

- Play sessions will be supervised by Fetch Social staff. Our facility and staff are force-free. Staff will use positive reinforcement and redirection techniques to help avoid behavioral issues and deescalate concerning activities.
- Only dogs that demonstrate safe, friendly behavior will be allowed into the group play areas.
- Introductions into the park are done gradually to avoid overcrowding or overstimulation.
- In the event of rain or inclement weather, Fetch Social has the authority to cancel and reschedule Doggy Day Out.

## Safety & Behavior Guidelines

- Dogs showing signs of aggression, fear, or illness will be removed from the play area.
- The rescue/shelter organization should provide details of any potential behavioral issues in the application so that our staff can properly monitor behaviors.
